

REQUEST FOR BIDS

Truckee Sanitary District Administration Building Landscaping Project

The Truckee Sanitary District (TSD) is seeking bids from qualified landscape contractors for its Administration Building Landscaping Project. This project consists of removing the existing landscaping and irrigation system at the TSD Administration Building located at 12304 Joerger Drive, Truckee, California 96161 and replacing it with a new irrigation system, plants, paver features, and a rock wall.

The project bid package can be found at the Truckee Sanitary District website at www.truckeesan.org. Please take special note that this project has a mandatory Pre-Bid meeting. Staff's goal is to recommend to the Board to enter into a Contractor's Agreement with the qualified lowest bidder. Carefully review the Contractor's Agreement template and qualify your bid should you take any exceptions to the agreement.

Project Highlights

Bid Due Date: Bids must be received by 3:00 p.m. on Friday, October 30, 2020
