**NOTICE OF PUBLIC HEARING**

Notice is hereby given that a written report has been prepared and filed with the Clerk of the Truckee Sanitary District identifying those properties within the District which are delinquent in paying District sewer charges for the period ending June 30, 2025. The written report identifies these properties, the recorded owner of each property, and the amount of unpaid charges, penalties and interest on each property. A copy of the report is on file at Truckee Sanitary District.

Notice is further given that Thursday, June 19, 2025 at 6:00 p.m., or as soon thereafter as the matter may be heard, at Truckee Sanitary District, 12304 Joerger Drive, Truckee, California, the Board of Directors of the Truckee Sanitary District will conduct a public hearing on the report. At the hearing, the Board of Directors will hear and consider all objections and protests to the written report. At the conclusion of the hearing, the Board may adopt, revise, change, reduce, or modify and charge or overrule any objection thereto, and shall make its determination as to whether to levy each charge. If the Board adopts the report or any revision thereto, the unpaid charges, together with penalties and interest thereon, shall be added to the County Assessment Roll for the purpose of collecting these unpaid charges by the County Tax Collector. These charges shall constitute a lien on the specified properties and shall be collected on the bills for taxes levied against the specified properties, as set forth by applicable statutes.
